Proposals of formulated/ agreed upon legend during ~~must~~ meeting with IG & other police officials on 29.11.93, Lahore.

1. Monitoring cell:

(i) To be set up under SIG Crime Branch. To be headed by SP. Female DSP to be promoted for this purpose.

(ii) Task of monitoring cell will be to keep records & provide disaggregated figures on all cases where women & children are involved either as victim or accused.

(iii) Wherever a ~~case is registered~~ woman or child is arrested in the Punjab ~~against women & children and on the~~ a copy of the FIR will be forwarded to the Central monitoring cell, within two hours of the arrest by fax or telephone.

(iv) The cell will be open 24 hours a day.

(v) The SP must on complaint or appeal have the authority to order transfer of case from one police station to another.

(vi) All complaints of custodial violence must be registered with the monitoring cell. SP should have authority to send case to DC or register criminal case against relevant police officer.

(vii) Monthly reports should be published by the cell which must be available to the public.

(viii) All prisons (twenty-eight in number) must furnish the standard information (name, area, offence, date of entry etc.) on women & accompanying children.

2. Opening up the Police Service to Women:

(i) Police service must be opened up to women at all levels (3 levels of induction: Constable, ASI & ASP)

(ii) There should be a vigorous campaign to attract women to the Service.

5. Sensitisation of police on Women & Human Rights Issues.

(i) ~~Special courses~~ Police training curriculum must include women & human rights issues.

(ii) Women & human rights NGO's to be involved in framing & teaching of courses at all levels (eg Sinhala officer level & Constable level at Kalagedihena Police in Chilaw area on Mullaitivu Rd)

(iii) Women & H Rights NGO's to liaise & stay in close touch to provide legal & other services to women & children esp. link should be institutionalised.

4. Publicity

Women themes to be publicised effectively through all media so that the average woman person knows of it.
