WAF LGF Concept – new name 26/3/94
Decision in Cabs

(1) WAF as a name (2) WAF & relationship to other orgs
(3) As a forum
(4) WAF meaning org. WAF as individuals
(5) Composition of initiating and ongoing working groups
Making decisions (12.30 pm)
Decision, Theme, Topic, A Kenya, Female,
Rani Kaisen, Priscilla Sue, Jennifer S,
Afroze, Nora, Anne, Virginia, Nelia Pixie,
A Tahira A, Naiman, Bruny (17) Foran
Joslyn, Farzana, Suzanne, Anne Bruce
Is positive – do issues
Funding Zone – work or not to take tickets

How do we turn at WAF – name, form, org
Pixie explains background – many views
formed – structure of WAF now –
WAF became org –
Knew it could not run in light of our work
and Kim work –
Also already coming in & WAF

Is – Meeting in Is – with our orgs – Bridget
Anne – Thus is not a process in Is
not co-operative – & I have to make it
active – effective – so Joyce can do on
her others do – There is a need for

Lotte - also NGO practices close to Lotte Ann - Ann says - for Marie activity done well - D.C needs to re-design it -

Tanvi - ISA - difference BT - Lakra Adivasi Lens focusing women

ISA - we don't know afforestation (community) problem -
(Forest management issues in ISA)

Pixie - ISA - concern from villagers about small age now getting wed - living area - will Lotte have any plan of action -

Rohit - Bus fee always higher

Aneena: ISA has had a reduction - Lakra + Kar Karak had - but this is for a Lakra issue - this needs to for others to for Lakra one -
Sharing Sabhas problem -

Kamran: Is Lotte learning reinforcement to keep behaviour - girls break sharing - Lotte represents a mindset - thinking is different - Lotte represents mind set - does Lotte significant - ISA is sharing not learning -
Sharing is ingo - Ravi shares to be discussed -

Rani: he Ramesh is always late for
his own home - his
shoes are all torn from his long
legs - he loves long drives - has no
friends - loves to be jailed.
Ram is my friend
Nina: He has fragile body - I
different from others.
Nagesh: middle - Always down his nose -
different home - hair?
Tabla: A: loves his Ramesh, thinks he is
ISI - proper boy has some tension to find
drive cars - always bickering -
Pappu: Ram - unusual thinking, brilliance,
fearlessness -
Ram pappu to go to our room -
Kanan: mindset - 2 things - the way you
grow - approach is mindset - Carom from
Carom Carom - dynamic - how are we
feeling to others
Nagesh: Actions from? But we can not
pushing to their fragmented individuals -
Organized in this - Can be disorganized
to that - a we responsible -
Tabla: he his way - no permanent -
Ingrained fragile against disturbance - is
human Carom - he "incentive we"
that reduction from his around he
can pause of that - Can this play

Pixie: [illegible]

Communities and Local Action Work - Power
not taking responsibility - a few doing all
the time - Young people. Not on the Local
Action Working - How be Action Plan - A vacuum

Plan for or Area - How to decide what to
be - Consensus, Community Identity

Parish Council Agenda Item - Local Work
Area Project need to look at this - Art &
Platform & Org - Work Group Org ?
This activity to raise Issue - Art was a
Platform and after Community Org.
Barriers are - Role as Group & Platform -
Should remain Local Work - Main Objective
Pressure Group - Links Up Local Org Issue
are doing Work on this

Parish A. Plan - Single Site for Jan as Work
on individual - Can Organisations
attend - Agenda
(Nora, Rania, Roslyn, Fiona (Eye) 11 am.
Ron : Why Should it be Urban ?

Area: Areas are artificial - it is the
process.
Parish Plan: feel more Continuum as a
Platform - Work could Plan provide a
meeting place - all for and out
Plan Work after Completion of Work

Considered Ring LHH - Adjust also some things about - different style - Hilari LHH as a platform - Ali don't know what to do - a drive - as consultant I see to know things about - split - long an dynamic but same purpose of sharing - all I get to come in - not a marketing group - many illusions.

Andi: "Change" - LHH as - he have become aggregator of other ideas - he think he keep LHH alive.

Ravi - Now Ops on pitching time yo - need more time and courage to LHH - don't want to do that - Can pick one opportunity - I don't try to come to LHH when it suits us - I LHH a priority - is it an investment How do we show - devote more than 2 - 3 if we don't commit ourselves

Ravi: Looking to LHH academy - system matters - Said - part of of fighting - mode - individual - How we believe in imp. LHH - automation - not intimated by Jack - bottom line - association - not a integration of ten models.

Meera: If people bring pipe to LHH - they are entrepreneur & I have an individual - not as LHH, not much upside - ~~LHH~~ here it looks

Let us go to Paris.

Ram: Kavita, I got my answer. Can we go to Paris next week? I have to join a national conference. Then Sejal can visit Fairfax. After that, I have personal work.

Ravi: Wow, nice. I'm so excited. My first visit to US. But I'll miss you. What should we do for you when you come? Any special food?

Priya: Ravi, I'll miss you. Please send me a message when you reach safely. Ram, I will call you. Have a safe journey. Bye.

Ram: Thank you. Bye.

Argument - no backing -

Rani: That was our things - how a change
has a dragon - need another to
bring it the other - with -

Farida: It is like why thing - because I -

Rani: he should be happy if that has
like go programs -

Nagraj: Actions are for who a individuals,
is time a company to happen up -
Result is programmation -
personal comment to build

Pixie: If Ram is a ran for [illegible] -
that run

Farida: Category - platform - [illegible] -
Should buy new action to [illegible]

Rani: [illegible] Ram for [illegible] - 2 [illegible]
of saying - ② how time to the from
just from for conversation - Are he
talking knows time to know -

Nagraj - how like do it -

Rani - Me it [illegible] - a win - a [illegible] -
mind - people just they are [illegible]
Dance modern -

Farida A: [illegible] is being mind big people
are a problem

Rani ans - Come do anything else that -

Farida Rani: Action [illegible] -
Ans [illegible] -

And other groups - have wins - pos. parts - Look this -

Pargeter: We don't mean we to the team we are looking for -

Anna - Who is what - all say - how we are able to do - Conceptually what - don't work - a few words - a connection of what two many admins - always put the words on the map - Have discuss this before -

Kasar - We come ask who is what anyone who says we is, is

Dan Board on energy in team - knowledge or anchors.

Rixie - But who is how - who is what -

Neeru: Talk of juniors - Can be open - why can't we learn about this?

Jenika: We need to work together -

Rani: We have to remove the mother

Anna: We do have a formal structure - we are what - do we owe anyone to what - are we just giving an idea and responsibility - Not formally a structure -

No culture of responsibility - We don't Love this - how have lost it - We use know it in the program - we are there in the org - working actively changed - Responsibility of core members.

Pooja: Can dream continue to exist even
after there is no
Observing -
Not having to each other - need & non
to dreams
Rama A - Physically exhausted -
Karuna - Life has no sense - Nothing - Striving
for - dark energies around -
Nagesh: Don't give time to each other - a k
Rao - people don't give time
Kavya: We have seen fire in Camp - to
be conscious is to be awake -
Madhu: Involved in my own work - to gain
clarity - changed perceptions of outer reality
Karma changes if have right state of
mind factor - needs to be analysed - Before
you taking food for the work - Fight &
fog drives - our perceptions have changed
changing our reality -
Nicole: Life cannot & should not be paused -
Jaya: Appreciate me time - Should have changes
need for rest and me as time - Time
is why out of young people are not
Coming in -
If not to connect - Can we do
Something more Concrete - Need to
pass Sentiments the last Something old
characters - Never ask the day today -

Mukesh: How do we move on from new
conditions -

Laxmi: If there is breaking the promise - we
can't be relaxed from - how else do
we solve them. How do we manage the
reality

Kasav: As with marriage - there can and
must also be an exit
that also we exit - if with is a
voluntary organization - it is open
unlimited.

Amit: Why do we see as the dynamic - we
create external pressure - an action -
Amit adams also - human beam you as -
do we want to reform KDS. Need to
start an another from. His claim on
Ego.

Mukesh: first go - start an - Somin as can't
go forward.

Suresh: We made the body - an emotional
Neelam: 3 to early years - not publicly have
depend with mentors - social frame - and
each agent each other - no sharing or
presentation - knowing each other -
inner dynamics we -

Suresh - personal time return time activity - with
short duration time - now a be a KDS -

Kasav: By system wrong -

Laxmi: Friendly - in our inter relation -
to figure -

Topsy – We are not talking about the "real"
Ram – In the ~~Constitution~~ law there – must
to discuss this and other. In a
court there or also there – [Topsy – Lakshman
Ram: Why= Lakshman there? Bharat Pandey came
Takshak A. No Constitution there
Ram: 2 times – Explain & interpret – Ram
How does one function rationally – probe
as the working of court
In the Con – ~~the~~ the principles & law is
law done in India law done it has
being passed – delhi Lakshman Bhargava & so
him – How should to explain – in an
office.
Ram. Constitution did not go into it's 9.8
working – finally Supreme Court – Ram. Constitution
the Ram Ram Come in chapter Parties –
Bench to preserve the position of Constitution –
No Lakshman – Principles of it is very
clear
Nelson: Electric Commission – he take responsibility
for a Dr. Ram was instrumental –
he also take responsibility – Bhargava Jain
Ram: Parties: Topsy delegation / Party Party
Ram was to Delhi – Ram / Ram
for the Party
Ravana – G.B. was Ram
responsibility he was Lakshman –
How do function – Bharat.

Karsan: If this Bom was taken to OAK Commission-

Rand: The report was a partisan work - we is "long" for to Jim.

Rand: Team called team drugs rehab and dismissed it from of her.

Atiya: Is the we exploring abortion - or the we agonizing.

Name and any of Shirat for self-perception that is use as given responsibility but we can deal with it.

Rhiannon: Thinking of me – how can change how to join with of Ram – the long term thinking – the one radical – decision what are negotiable or not – if more room inside if they want to join – compromising power
Brian has needed
with his work must continue
Ram: he used to think of strategic plan.
What do we present as an image – Cornish
What do we have to offer people?
Strategy
