WAF GENERAL BODY MEETING

Dear Friends,

As you all must be aware a lot has happened since we met last (21 Dec.96) and at a fast pace. The events make it necessary for us to get together and thrash out some of the more pressing issues and plan activities at least for the first quarter of the new year.

Immediately we would like to inform you that a protest rally against the formation of CDNS has been called on Monday, 20 January 1997 at the Press Club at 12.00 noon. You are requested to join in, in the tradition of WAF's practice for upholding democratic values.

We are enclosing a copy of the WAF statement on the Eight Amendemnt, we need to discuss how to proceed on this.

Sindhiani Tehreek has extended an invitation to WAF for a joint rally on 8th March to be held in Hyderabad. Sindhiani Tehreek will be bringing 400 women from Sindh and have asked WAF to mobilize 400 women from other parts of Pakistan for the rally. We need to discuss and prepare for this.

We are therefore calling a General Body meeting on the 22nd January 1997 at 2:30 p.m at AGHS. The address is:

AGHS Law Associates
131 E-1 Gulberg III
Lahore

The Agenda will be :
i) Forthcoming elections
ii) Formulation of Council of Defence & National Security.
iii) Ruling on the Eight Amendment
iv) 8th March
v) any other business

Taking into account the significance of the issues it is crucial that you attend the meeting and give your input.

Yours sincerely

WAF Working Committee
