### **Clarification of Minutes of 3<sup>rd</sup> July**

*Bunny clarified that AM has to be approached later as decision lies with a committee from AM.*

- Neelam to clarify certain things about the book by Rhonda Gossen, Titled *Twelfth of February*. Clarify that no funds were taken by WAF from CIDA, as per WAF Policy. Also to make sure that credits were given for the photographs and the captions for the photographs were correct.
- To ask Erum if she is able to attend meetings on Friday afternoons, in which case timings could be adjusted. Bunny or Naila will contact Erum to check on this. Saturday and Sunday does not suit Naila as she does not have a computer at home.
- Statement to be drafted by Maheen and Rani on the selection for the Chairperson of NCSW. WAF's position is that nominations of Political Party members should not be part of the list as they then take Party lines.
- Bunny has invested in a Zoom which is not limited to 40 minutes and can be used for Webinars up to a 100 persons.
- WAF will talk to the National Coordinators to decide on a date for a National Zoom Meeting, and to send suggestions for issues they would like to discuss at this Webinar. WAF Lahore is suggesting end of July for this. Issues discussed at the National Convention to be part of the Agenda. Naila has the recordings and Farida Shaheed has the papers. Rani also has some papers from the National Convention.

- Another National Webinar is being planned for 11<sup>th</sup> August 2024 on the issue of Minorities.
- Rani suggested a Webinar on the Budget since it is effecting so many people.
